Grande-Digue – Notre Centre

468 route 530

Grande-Digue NB

Tel: (506) 532-1133

## 10:30- Meet and greet

- Grab a tea, coffee, snack and take a seat

## 10:40- Greetings from Coordinator and review of the agenda and goals of the day

## 10:45- Roundtable Updates

- Each person will have ~5 minutes to provide an update of the work they are doing, any events they would like to promote, or any resources they'd like to share

## 11:45- What does the NBFSAN do... and how do we promote growth throughout the network?

- Update on the New Brunswick Food Security Action Network's Strategic Plan with Strategic Planning Consultant, Deborah Wybou. Deborah has been working with Roxana this summer to help organize materials and mind maps for the strategic planning process. She will present work done to date and get valuable feedback from the group to help shape the Strategic Planning Committee's next meeting. We will also discuss promotion materials for the network.

## 12:30- Lunch is served **Remember to bring a local ingredient** (vegetable, fruit, cheese, meats, etc...) for Diane's group of volunteer cooks!

## 1:00- Slow Food Presentation

- Learn about all of the great projects happening in the Cocagne area – Diane Savoie, Maxime Gauvin, and partners host and speak about their region
- The Full-Cycle Schoolyard: Learn from Serge LaRochelle about their great project that focuses on using food produced directly from the school garden, complete with a water recovery system, that goes on to be used in the school cafeteria where it's transformed into nutritious meals. Learn how they are ensuring that all organic waste ends up in the compost and returned to the garden as natural fertilizer.

## 1:30- Wellness Strategy Evaluation and Renewal

- Hannah Westner will share the results of the evaluation of the NB Wellness Strategy (2009-2013) as well as update you on the process for

renewal. NBFSAAN participated in the evaluation process through a focus group and you will have an additional opportunity for input that can help to inform the renewal.

**2:30- Farm to School in NB**

- There has been a great deal of new developments in this area, including the commencement of the program led by La Récolte de Chez Nous, the allocation of funds for Cé D'Ici to expand their model AND an update on funding that will help to expand Farm to School programs across New Brunswick! Speakers: Mathieu D'Astous, Marc Allain, and Roxana Suchorolski

**3:00- Next meeting date and adjournment. Drive safe everyone!**
